Two persons sit between Gagan and Manju. Person who likes Black sits to the immediate left of the person who likes Yellow. Manjri who likes

Magenta sits at one of the corners of the table. Neither Harman nor Aparna likes Yellow. Piyush is an immediate neighbour of Aparna. Harman doesn't like Golden.

16) Who among the following sits second to the right of Manjri?

A) Person who likes Golden

B) Person who is an immediate neighbour of Gagan

C) Person who sits to the immediate right of Ragini

D) Both A and B

E) None of These

17) What is the position of Pawan with respect to Aparna?

A) Second to the right

B) Third to the left

C) Immediate right

D) Fourth to the right

E) Second to the left

18) Who among the following sits third to the left of Piyush?

A) Person who likes Pink

B) Person who sits to the immediate right of Ragini

C) Person who sits to the immediate right of Gagan

D) Both A and B

E) Both A and C

19) Which of the following statements is/are not true regarding Manju?

A) Manju sits second to the left of Piyush

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

B) Manju is an immediate neighbour of the person who likes Green

C) Manju doesn't like Golden

D) Both A and C

E) Both A and B

20) Which of the following combination is true?

A) Gagan-Yellow

B) Pawan-Golden

C) Krish-Black

D) Harman-Green

E) Ragini-Grey

Directions (21-25): Study the following information carefully and answer the questions below:

There are nine persons i.e. Kajal, Sahil, Sarika, Tripti, Devesh, Ansh, Raghav, Madan and Rashi are sitting in a triangular table facing inside the table. Three persons sit at the three corners and remaining sit at the sides. Two persons sit on each of the side of table. All of them likes different colours i.e. Red, Yellow, Blue, Green, Black, White, Peach, Orange and Pink but not necessarily in the same order.

Tripti who likes Red sits to the immediate left of Rashi who does not sit at the corner. Person who likes Peach sits second to the left of Tripti. Devesh who likes White sits two places away from the person who likes Peach. Two person sits between Devesh and Sahil who is not an immediate neighbour of Tripti. Person who likes Orange sits third to the left of Sahil. Person who likes Yellow sits to the immediate right of the person who likes Pink

but neither of them sits at the corner of the table. Sahil likes neither Yellow nor Pink. Kajal who likes Green sits third to the right of Raghav. Sarika likes either Yellow or Blue. Madan sits second to the right of person who likes Green and second to the left of the person who likes Black. The one who likes Blue sits immediate right of Rashi.

21) Who among the following sits third to the left of Sarika?

A) Person who likes Black

B) Person who sits to the immediate right of the person who likes Red

C) Person who sits second to the left of the person who likes Pink

D) Both A and B

E) All of the Above

22) Who among the following sits exactly between Tripti and the person who likes White?

A) Person who sits to the immediate left of Madan

B) Person who sits to the immediate right of the person who likes Orange

C) Person who likes Peach

D) Both A and C

- E) Both A and C

49) Who among the following sits second to the right of Priti?

- A) Person who likes Orange
- B) Nora
- C) Person who likes Peach

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

D) Richa

E) None of These

50) Four of the following are alike in a certain way and hence forms a group. Which of the following does not belong to that group?

A) Person who likes Black

B) Person who likes Pink

C) Person who likes Orange

D) Person who likes Green

E) Person who likes Blue

Triangle Seating Arrangement - Answer and Explanation

Answers (1-5):

1) B

2) A

3) C

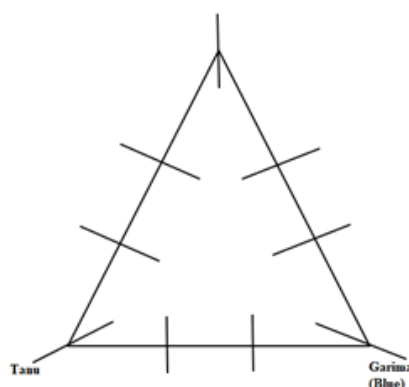

4) E

5) D

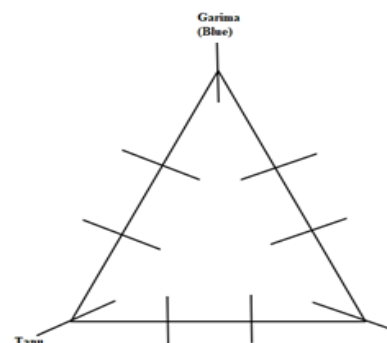

Solutions (1-5):

STEP I: Two persons sit between Tanu who sits at the corner of the table and Garima who likes Blue.

As per this statement, the arrangement will look like this:

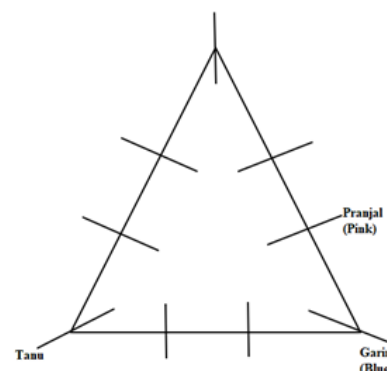

case-1

case-2

STEP II: Pranjal who likes Pink sits to the immediate left of Garima.

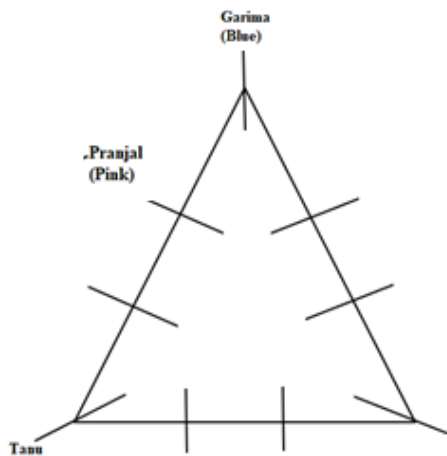

As per this statement, the arrangement will look like this:

case-1

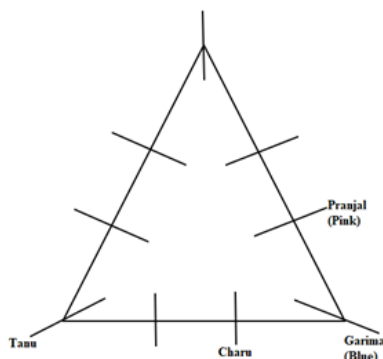

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

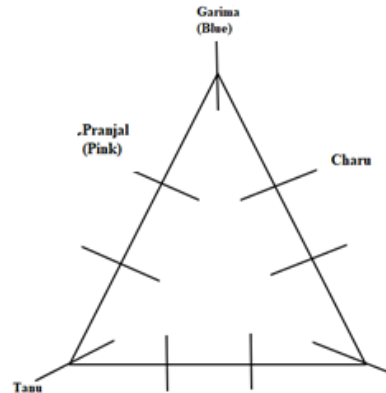

case-2

STEP III: Charu sits second to the right of Pranjal.

As per this statement, the arrangement will look like this:

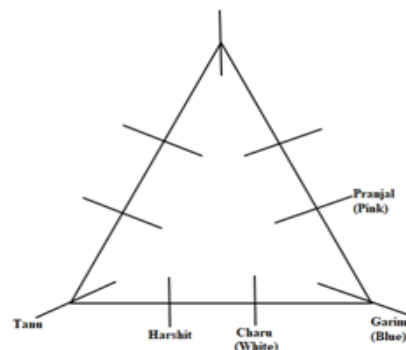

case-1

case-2

STEP IV: Harshit and Charu who likes White are an immediate neighbour of each other.

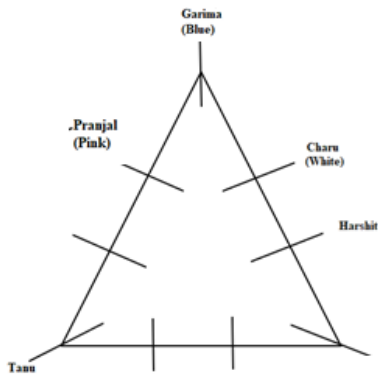

As per this statement, the arrangement will look like this:

case--1

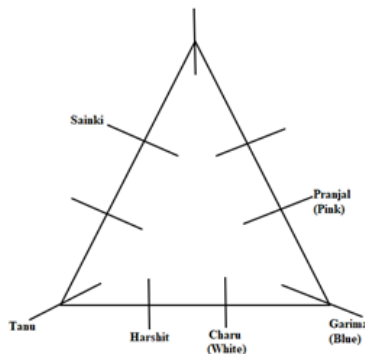

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

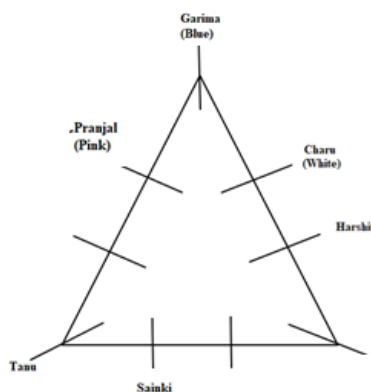

case-2

STEP V: Sainki sits third to the left of the person who likes Pink.

As per this statement, the arrangement will look like this:

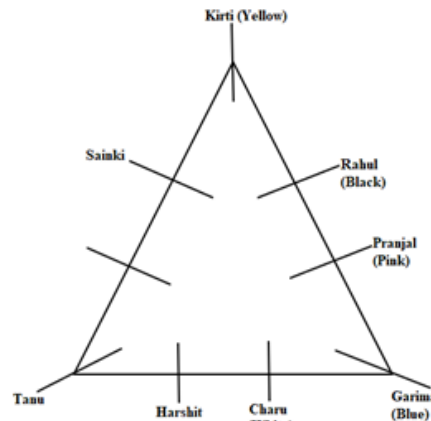

case-1

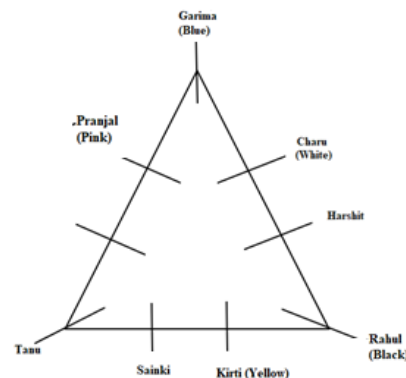

case-2

STEP VI: Kirti who likes Yellow sits exactly between Sainki and Rahul who likes Black.

As per this statement, the arrangement will look like this:

case-1

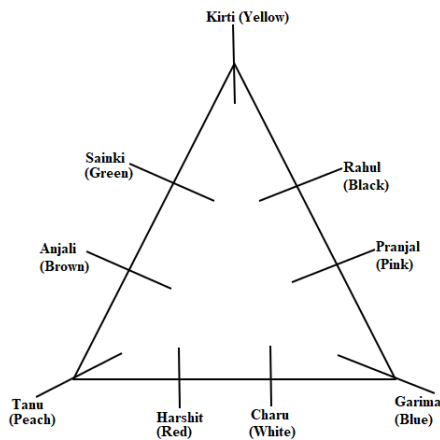

case-2

STEP VII: Anjali likes either brown or Peach. Person who likes Peach sits second to the left of the person who likes Green. Harshit likes Red. So case-2 is eliminated.

As per these statements, the final arrangement will look like this:

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

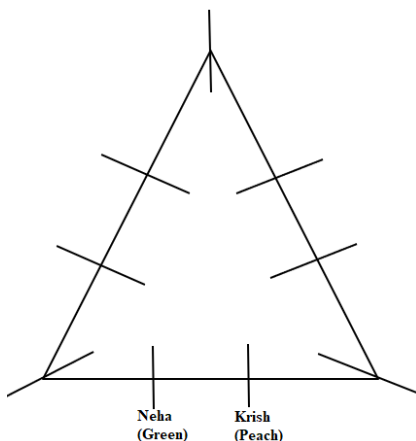

Answers (6-10):

- 6) D
- 7) B
- 8) A
- 9) E
- 10) D

Solutions (6-10):

STEP I: Neha who likes Green sits to the immediate right of Krish who likes Peach but neither of them sits at the corner of the table.

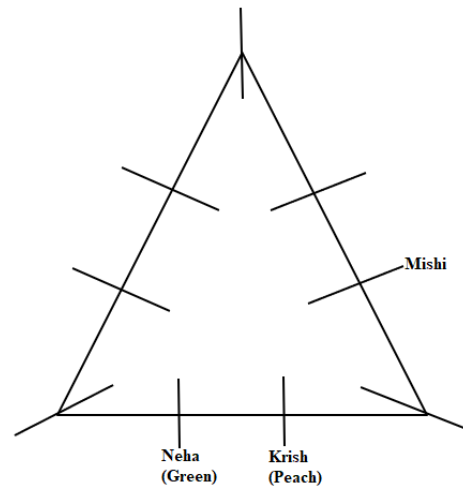

As per this statement, the arrangement will look like this:

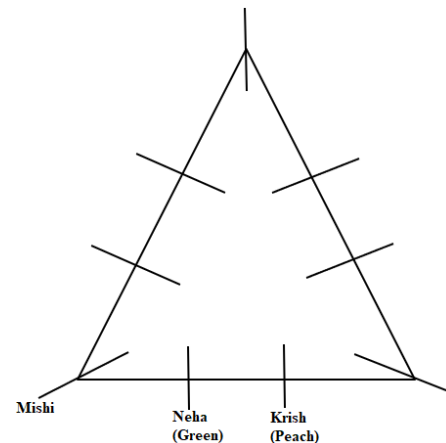

STEP II: One person sits between Krish and Mishi.

As per this statement, there are two possible cases and the arrangement will look like this:

CASE I:

CASE II:

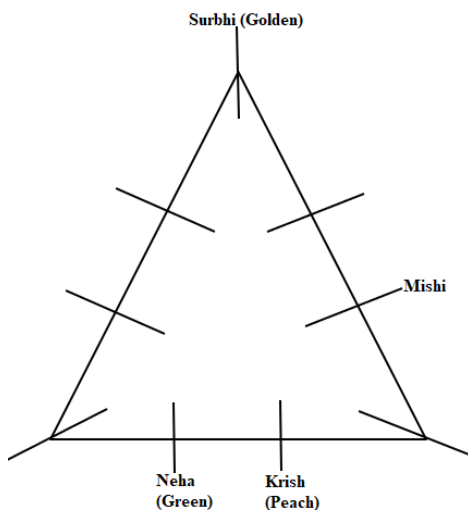

STEP III: Three persons sit between Neha and Surbhi who likes Golden who sits at the corner of the table.

As per this statement, the arrangement will look like this:

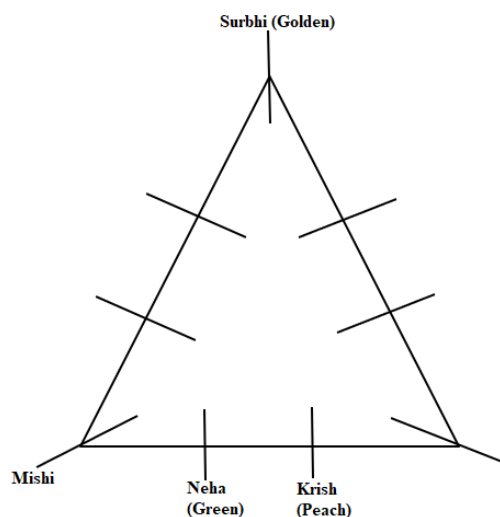

CASE I:

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

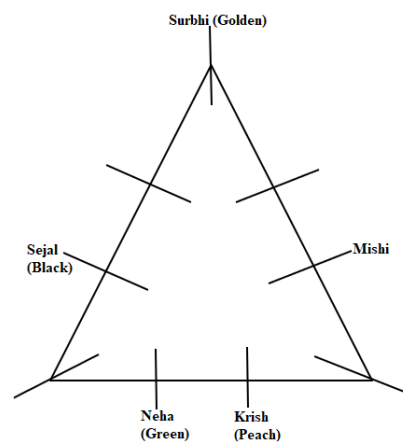

CASE II:

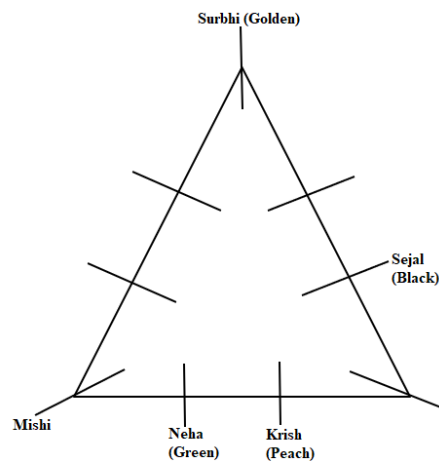

STEP IV: Sejal who likes Black sits two places away from Surbhi.

As per this statement, **CASE II** will further get split into one more case and the arrangement will look like this:

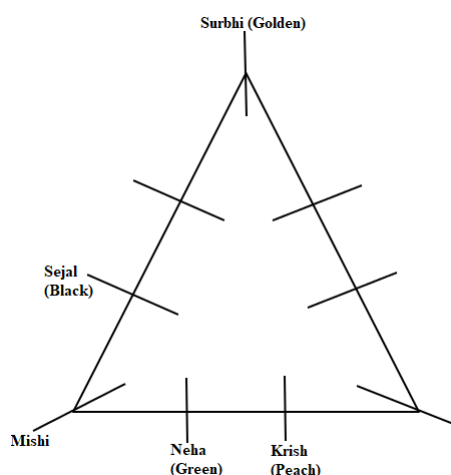

CASE I:

CASE II:

CASE II (A):

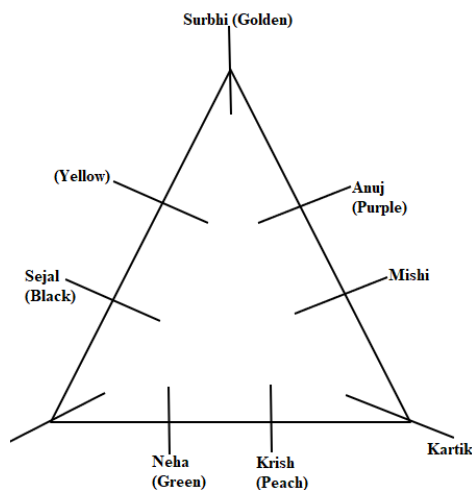

Triangle Seating Arrangement with Two Variable for SBI PO Prelims

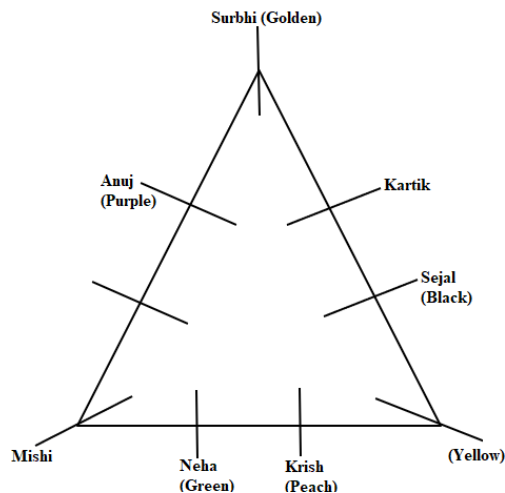

STEP V: Person who likes Yellow sits to the immediate right of Sejal. Anuj who likes Purple sits second to the left of Kartik who neither likes Yellow nor likes Pink.

As per these statements, the arrangement will look like this:

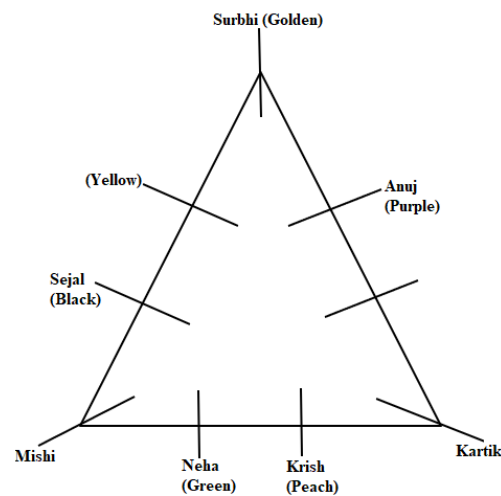

CASE I:

CASE II:

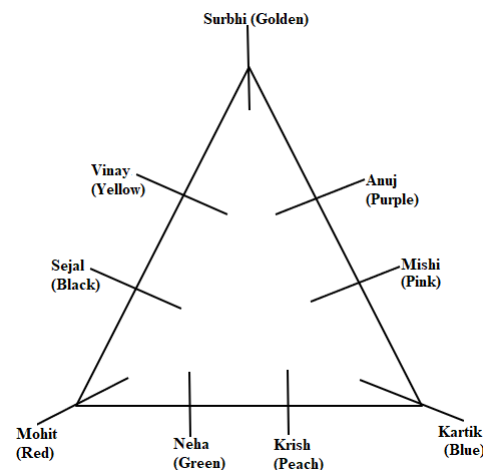

CASE II (A):

STEP VI: Mohit likes Red. Both the Person who likes Pink and the person who likes Peach are an immediate neighbour of the person who likes Blue.

As per these statements, **CASE II** and **CASE II (A)** will get eliminated and we will continue with **CASE I** and the final arrangement will look like this:

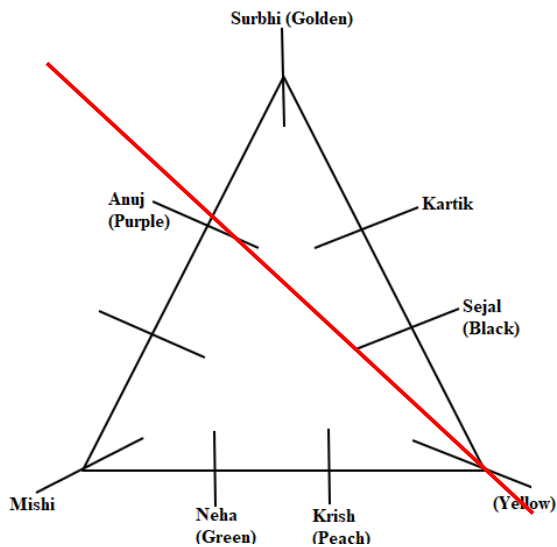

CASE I:

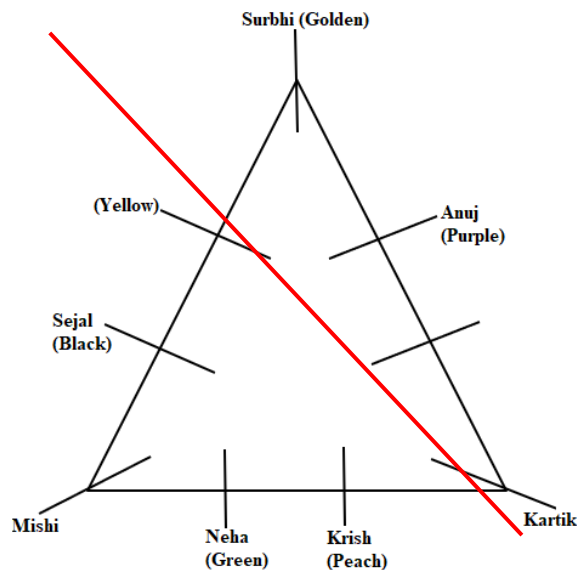

CASE II:
